

## Help direct the future of Cromaine Library!

### TRUSTEE VACANCY

#### Applicants Sought

If you are a resident of the Hartland School District and a registered voter, you can be a candidate for appointment to the Cromaine District Library Board which is an independent taxing authority serving all of Hartland Township and parts of Brighton, Deerfield, Genoa, Oceola, and Tyrone Townships.

The appointed trustee will serve through December 31, 2018. Candidates are encouraged to add their names to the November 6, 2018 ballot, which must be done by 4:00 pm on August 14, 2018. If elected, the candidate will then serve a two-year term through December 31, 2020.

The Board especially encourages library district residents who live in Brighton, Deerfield, Genoa, Oceola, and Tyrone Townships to apply as the majority of the current elected Board is from Hartland Township. All trustees serve "at large," representing all of the district's residents. With a new strategic plan about to be adopted, this is a great opportunity to enhance library services to the community while working with a congenial and conscientious group of people making a difference in the future of the Hartland area.

Applications and a brochure describing trustee responsibilities, can be picked up at Cromaine Library. Call 810-632-5200, ext. 105 to have an application mailed, faxed or e-mailed to you. Applications are requested by July 15, 2018. The Board plans to make an appointment at its meeting on July 26, 2018, if at all possible.

Questions? Call Ceci Marlow, Library Director, at 810-632-5200, ext. 105 or e-mail [cmarlow@cromaine.org](mailto:cmarlow@cromaine.org).
