* Millage rate totals to be billed on the tax bills are only estimates. Taxing authorities are not statutorily required to submit final totals before September 30th.

The millage rate equals dollars per thousand of taxable value.

The formula for estimating taxes for the year:
Current year "Taxable Value" x Current year "Millage Rate"/1000 = Taxes

Note: a 1% administration fee will be added to all property taxes.

The above rate does not include any special assessments.
