

**CHARTER TOWNSHIP OF BRIGHTON
BUILDING DEPARTMENT**

REQUIREMENTS FOR A HOT TUB PERMIT

- **Indicate location of the proposed hot tub on your plot plan. (2 copies required)**
If the tub is being placed on an existing deck, no setbacks need to be shown on the plot plan from sides and rear of property. If the tub is being placed on a slab or stone patio, setbacks must be provided.
- **Complete specifications showing the tub dimensions and indication of a heater, filter or lights being used (separate electrical, mechanical and plumbing permits will be required).**
- **Documentation that a locking security cover will be used. If any type of privacy fencing is proposed, there are zoning restrictions (please discuss with the building inspector).**
- **Provide a manufacturer's brochure along with your application for review. The review process takes 5 to 7 business days and upon approval, you will be notified either by phone or mail to secure your permit (the cost is \$70.00).**
- **The building department conducts business Monday thru Friday between the hours of 8-4:30 p.m.**
