

**CHARTER TOWNSHIP OF BRIGHTON
BUILDING DEPARTMENT**

**REQUIREMENTS FOR SFR REMODEL
PERMIT APPLICATION**

Building application filled out and signed.

Two (2) copies of a completely dimensioned floor plan with all rooms and/or spaces labeled. A wall section (see attached sample) showing type, size and spacing of materials. Elevations, when necessary.

In addition to a building permit, applicable plumbing, electrical and mechanical permits are required when you reach that stage of your remodel.

If adding bedrooms, approval from the Livingston County Environmental Health Department is required.

Should you have any questions or concerns, do not hesitate to contact us at 810-229-0562. Thank you.
